

General purpose trolley 5 shelves 800×500 mm

Product code	Type
0112022	SW 8x5/5

FUNCTIONAL DESCRIPTION

Serving trolley in standard version with deep-drawn shelves.

EQUIPMENT FEATURES

Hygienic stainless steel surfaces
Hygienic stainless steel surfaces ensure a low-germ environment. The smooth, non-porous structure can be cleaned quickly and without leaving any residue. This saves you time, reduces cleaning costs and meets strict hygiene standards – ideal for commercial kitchens and medical areas. Robust, durable and reliable in daily use.

Disk bumpers
The elastic plastic rollers on all four corners of the appliance provide reliable protection against damage during transportation. Thanks to their simple design, they can be replaced quickly and without tools, which reduces maintenance costs and increases operational readiness.

High Manoeuvrability: 4 swivel castors, 2 with total locks
Four smooth-running swivel castors, two with total locks, enable precise manoeuvring in tight spaces and secure locking during operation. This equipment ensures optimal mobility while maintaining high directional stability and security.

Deep-drawn shelf
The shelf is deep-drawn and has a closed surface with an all-round profile edge. Dirt and liquids are reliably retained – for quick, thorough cleaning in daily operation.

GENERAL TECHNICAL DATA

Width rated	800 mm
Depth rated	500 mm
Nominal height	1.575 mm
Width actual	895 mm
Depth actual	595 mm
Height	1.575 mm
Weight	31 kg
Payload	150 kg

Project _____

Order _____

Quantity _____

Date _____

Main material	Stainless steel
----------------------	-----------------

INTERIOR PROPERTIES

Board construction	With sound insulation board Welded shelf
Number of shelves	5
Execution of board rim	Folding Profile edge
Clearance between shelves	278 mm

MOBILITY

Set of castors	2 swivel castors with brakes 2 swivel castors
Castor attachment	Round pin
Castor bearing type	Plain bearing
Castor housing material	Plastic
Wheel ø	125 mm
Type of tyre tread	Rubber – Standard
Wheels with thread guard	No
Antistatic wheels	No
Impact protection construction	Deflector rollers
Push handle construction	Push bar
