

Work table

1800×700×850-1150 mm

Product code	Type
0163299	AT-EH 1800/700/850-1150-F

FUNCTIONAL DESCRIPTION

Work table made of high-quality stainless steel in hygienic design, with hydraulic height adjustment system for ergonomic adaptation to different body sizes.

EQUIPMENT FEATURES

Hygienic stainless steel surfaces
Hygienic stainless steel surfaces ensure a low-germ environment. The smooth, non-porous structure can be cleaned quickly and without leaving any residue. This saves you time, reduces cleaning costs and meets strict hygiene standards – ideal for commercial kitchens and medical areas. Robust, durable and reliable in daily use.

High Manoeuvrability: 4 swivel castors, 2 with total locks
Four smooth-running swivel castors, two with total locks, enable precise manoeuvring in tight spaces and secure locking during operation. This equipment ensures optimal mobility while maintaining high directional stability and security.

Electric height adjustment
The precise digital control allows the working height to be adjusted continuously. Ergonomic working is promoted by simple operation at the touch of a button and reduces physical strain.

Reinforced worktop
The reinforced worktop is torsion-resistant and offers increased load-bearing capacity. It creates a stable, safe working base for precise work and supports controlled work processes – even for demanding applications in commercial kitchens and medicine.

GENERAL TECHNICAL DATA

Width rated	1.800 mm
Width actual	1.800 mm
Depth actual	700 mm
Height	850 mm
Weight	62 kg
Payload	220 kg
Main material	Stainless steel

OPERATION

Control elements			
Operation area	Operation element	Minimum adjustable temperature	Maximum adjustable temperature
Total setting	Digital height control		

ELECTRICS

Power rated	240 W
Operational Current	1,04 A
Voltage rated	220 V
Frequency	50 Hz
IP code	IPX4
Protection class	Class I

MOBILITY

Castor equipment	
castor_type	quantity
Swivel castor	2
Swivel castor with lock	2
Castor attachment	Back hole
Castor bearing type	Ball bearing
Castor housing material	Stainless steel
Wheel ø	125 mm

Work table 1800×700×850-1150 mm

Type of tyre tread	Rubber – Standard
--------------------	-------------------

TABLE PROPERTIES

Worktop material	Stainless steel
Height adjustment	Hydraulic
Worktop bent construction	Bending on all sides
